Items to Note:

- Families attend one of the two dates each month (Oct. – Apr.)
- The Oct., Dec., Jan., Feb. & Apr. sessions begin at 9am and you may bring your own breakfast snacks and beverages. Please make every effort to arrive in time for your family to settle-in at a table before the 9:15am opening prayer experience.
- Everyone's active participation in the entire sessions helps keep the children and young people engaged in the session. We work together for the majority of the session. There is a break-out session by grade level with a parent session at the same time in every gathering.
- We use the Gospel Weekly program for Grades K-8th. *The children are to do their Gospel Weeklies for the weeks between sessions. There's no way the full curriculum can be covered during the seven monthly sessions.* There is a 5-question assessment for each level of Gospel Weekly on their website (direct links are below) that we ask that the children complete and submit every week. For the Pflaum Website the default email is youthfamilyinfo@qofhchurch.org.
